

ASX Release 10 September 2021

# Update on discussions with EQT

Iress Limited (IRE.ASX) refers to its announcement of 11 August 2021 stating it had received a confidential, non-binding and indicative proposal from funds represented by EQT Fund Management S.à r.l. (EQT) to acquire all of Iress' shares via a scheme of arrangement.

At the time, Iress announced that it had agreed to grant EQT a period of 30 days exclusive access to undertake its due diligence.

Discussions with EQT are progressing and Iress has agreed to grant an additional 10 days<sup>1</sup> of exclusivity to EQT on the same terms as previously announced to provide further time for EQT to complete its diligence and for an agreement to be finalised.

The Board will update shareholders and the market in due course. The Board recommends that Iress shareholders take no action in relation to the proposal by EQT. There is no certainty that the proposal will result in a transaction.
