

iress

# Trading App

Ready-for-retail trading app. For banks, brokers & private wealth firms.

# A mobile trading app for your clients.

Attract, engage, and retain clients—no compromises.

Improve client engagement, service levels and build trust with Iress' new mobile trading app. With access to global markets and an integrated suite of solutions, Iress is ready to support your growth ambitions today.

Iress Trading App allows your clients to;

## Access market research & news

Monitor market activity & filter news stories by exchange or security.

## Manage portfolios

Get flexibility to view multiple portfolios in high level or expanded format while on the go.

## Create watchlists

Create custom watchlists, fully synchronised across ViewPoint.

## Use analysis tools & place orders

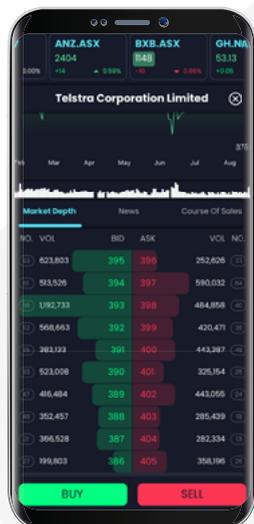

For major global exchanges including the NYSE, NASDAQ, FTSE and ASX.

## Give your clients the freedom to trade anywhere, anytime.

With Iress Trading App you'll be able to deliver a high-functionality experience to your clients at a fraction of the cost of building and maintaining a trading app from scratch.

Iress Trading App allows for:

-  Comprehensive visual map of security details
-  Quick order entry
-  Fast toggle for advanced orders capability
-  Single access for multiple portfolios and accounts
-  Integrated with breaking news and important announcement

# Designed to empower traders and investors on the move.

With Iress Trading App you'll have access to;

Outstanding retail trading functionality

One competitive monthly fee
