Together goes live on Iress's Xplan Mortgage and Trigold

Iress today announces that Together is live on its mortgage sourcing software, Xplan Mortgage and Trigold. All users of Iress sourcing products will be able to compare the full range of Together's commercial and personal mortgages.

The property lender, which is based in Manchester and has a loan book of £6.8 billion, will be able to offer its products through Iress's sourcing systems to widen their reach and easily access new geographies.

Iress's Head of Business Development, Sourcing, Warren O'Connell said, "We're delighted to welcome Together onto Xplan Mortgage and Trigold, which represents another step toward ensuring we maintain the widest coverage in the market. Together have been helping their customers for nearly 50 years and are one of the biggest specialist lenders in the North West. We're excited to be a part of their growth plans."

Together's Group COO, John Barker said: "Partnering with Iress will help us reach even more customers, providing the finance they want to achieve their property ambitions. We have been opening doors for 50 years now, and by utilising Iress's innovative mortgage sourcing software we hope to grow our customer base further. Our vision is to become the UK's most valued property lender, and this takes us another step towards that.

"The team at Iress have been great to work with, and we look forward to a long and fruitful partnership with them."
